MAGIC IS IN YOUR CARDS

"YOU ARE SPECIAL MILA... YOU HAVE BEEN CHOSEN."

When a tarot card reading reveals an evil secret from biblical times. Mila, an orphaned Gypsy, is forced to confront his true destiny. When he recklessly ignores the prophecy, an evil twist of fate brings two Americans into his world. Casey, an heiress, along with Jack her ingenious companion, both stranded in Berlin by mysterious circumstances.

The three teens accidentally plunge into a world of dark secrets within Berlin's abandoned underground tunnels. There, they uncover a lost artifact once wielded by the Nazis that awakens an evil force. Looking to possess these powers, a sinister cult unleashes a shadow army to hunt for this holy relic. Mila and his new friends must flee to escape certain death and are now burden with unlocking the mysteries of the artifact's lost history, which promises to uncover Hitler's unholy vengeance against the Gypsies.

WHAT IF HARRY POTTER WAS A GYPSY?

For centuries, the Romani people have longed for a hero - a role model - who they could look up to... one who can inspire a sense of pride for those who have been marginalized for so long.

We invite you to enter the world of a Romani hero, in the new Young Adult fantasy novel:

THE LAST OF THE MAGI

Where a hero rises from poverty and oppression with one mission... To inspire the Romani people to believe that anything is possible.

The Romani people, haven't had representation or positive role models to inspire too. They are still being portrayed in many of the same ways as in the past: as thieves, fortune tellers, vagabonds... That is, until now.

Romani Media Initiative (RMI) is revolutionizing the way that Romani characters are presented in film, TV, books, and other forms of entertainment.

With the publishing of "The Last of the Magi," G.S. Eli has created a Romani hero from his experiences growing up as a Rom in the United States. His film, "The Search for the 4th Nail," also dispels the centuries-old stereotypes of the Romani people. It continues to be shown on campuses across the U.S., and he is invited as a guest speaker to discuss Romani issues.

Reviews

“

I found it impossible to put down. If you're looking for an action-packed, page-turner: look no further, you've come to the right place. Not a dull moment to be found!

”

“

I couldn't put this book down. It had my attention the whole way though. It's also intriguing to learn about a culture not often written about, Roma!

George Eli is an American Rom who grew up in a traditional Romani family in the United States. As a child, he was taught that the Romani people must remain separate from the outside world. However, as he grew into adulthood, George realized that his deep Romani traditions and the ancient and mystical teachings of spiritual therapy could help others. So, for more than 10 years, he has helped hundreds of clients reach their goals and lasting spiritual understanding and wellness to live their best life.
